<tbody>
<tr>
<td>September – October (12 EC)</td>
<td>November – December (12 EC)</td>
<td>January (6 EC)</td>
<td>February – March (12 EC)</td>
<td>April – May (12 EC)</td>
<td>June (6 EC)</td>
</tr>
</tbody>
</table>

### Mandatory courses (54 EC in total)

- Research methodology in musculoskeletal physiotherapy I (6 EC)
- Research methodology in musculoskeletal physiotherapy II (6 EC)
- Translational research (Part 1; 3 EC)

### Electives (6 EC in total)

- 3D-kinematics (3 EC)
- Electromyography (3 EC)
- Imaging (3 EC)
- Histology (3 EC)

- Biomechanical analysis of human movement (6 EC)
- Master research project, including Translational research Part 2 (27 EC)

### Capita Selecta
