**VU**  UNIVERSITY  
AMSTERDAM

LOOKING FURTHER

## VU UNIVERSITY HAS AN INTERNATIONAL LEADING POSITION IN RESEARCH AND TEACHING IN THE FIELD OF ARCHAEOLOGY

The Master's programme in Archaeology (MA) offers a wide-ranging education in state-of-the-art archaeological research. Three Master tracks allow each student to acquire profound knowledge and adequate skills in the Archaeology of Northwest Europe, Mediterranean Archaeology, and Landscape and Heritage. The interdisciplinary approach of the programme aims to explore the spatial and temporal contexts of cultures and landscapes that contributes to the preservation and valuation of global cultural heritage.

### WHY STUDY AT VU UNIVERSITY?

- Internationally oriented and valued research group, succesful in securing national and international funding
- Highest chance of doing PhD research in archaeology in the Netherlands
- Strong connection between cutting-edge

**"STUDYING A MASTER'S DEGREE IN ARCHAEOLOGY AT VU UNIVERSITY IS AN EXCELLENT EXPERIENCE THAT EXPOSES THE STUDENT TO AN INTERNATIONAL LEARNING ENVIRONMENT"**

Andrea Ward (MA student)

research and training programme

- Theoretical depth while firmly rooted in material culture in all Master tracks
- Landscape archaeological expertise combining the best of European research traditions
- The only place nationally where you can study Landscape and Heritage
- Located in Amsterdam with its rich history, international ambience and world-famous heritage institutions.

### CAREER PROSPECTS

With the MA in Archaeology from VU University, you are very well prepared for a professional career in archaeology. You will be fully qualified to work in commercial archaeology, and to eventually supervise your own archaeological fieldwork projects. Your conceptual and effective knowledge of landscapes, heritage and archaeological remains in their modern setting enables you to work in local, national or international heritage management institutions, research institutions and public services, and in education, publishing and tourism.
