    - Econometrics III (E_EOR3_TR3)
    - * If you finish the minor with an average below 7.5 you also need to complete Econometrics II (E_EOR2_TR2)

### Honours programme Econometrics

- If you finish the first 2 years of your BSc with a 8.0 or higher you can apply for the honours master. The entry requirements mentioned above remain the same and you can check the website masters.vu.nl for the application details
- If you finish your BSc with a 7.5 or higher you can apply for the honours master. The entry requirements mentioned above remain the same and you can check the website masters.vu.nl for the application details
- If you finish the first 2 years of your BSc with a 8.0 or higher you can apply for the honours master. The entry requirements mentioned above remain the same and you can check the website masters.vu.nl for the application details
- If you finish the first 2 years of your BSc with a 7.5 or higher you can apply for the honours master. The entry requirements mentioned above remain the same and you can check the website masters.vu.nl for the application details

### MSc Econometrics and Operations Research

#### all specializations of track Operations Research
- Operations Research I (E_EOR1_OR1)
- Operations Research II (E_EOR2_OR2)
- Numerical Methods (E_EOR2_NUME)
- Operations Research III (E_EOR3_OR3) OR Advanced Simulation for Finance, Economics and Business (E_EOR3_ASFEB)

- BEFORE you start the transfer programme you are recommended to pass the following courses:
  - Probability Theory (E_EOR1_PT)
  - Linear Algebra (X_400638)
  - Analysis I (X_400641)
  - Analysis II (X_400642)

- 1 course, choose between:
  - Operations Research I (E_EOR1_OR1)
  - Operations Research II (E_EOR2_OR2)
  - Numerical Methods (E_EOR2_NUME)
  - Operations Research III (E_EOR3_OR3) OR Advanced Simulation for Finance, Economics and Business (E_EOR3_ASFEB)

- BEFORE you start the transfer programme you are recommended to pass the following courses:
  - Probability Theory (E_EOR1_PT)
  - Linear Algebra (X_400638)
  - Analysis I (X_400641)
  - Analysis II (X_400642)

Please note, a limited amount of students will be admitted to this programme. On http://masters.vu.nl/en/index.aspx you can find the selection criteria and how to apply for admission.
Choose 1 of the following 3 courses:

Good results

- Procurement and Supply Management (E_IBK3_PSM)
- Sustainable Supply Chain Management (E_IBA3_SSCM)
- E-Commerce Supply Chain Management (E_IBA3_ESCM)

Minor Economics @ VU with GPA 7.0

Managing and Improving Quality (E_IBK3_MIQ)

POSTGRADUATE PROGRAMMES

MSc Transport and Supply Chain Management

Procurement and Supply Management (E_IBK3_PSM)
Choose 1 of the following 3 courses:

Good results

- Sustainable Supply Chain Management (E_IBA3_SSCM)
- E-Commerce Supply Chain Management (E_IBA3_ESCM)
- Procurement and Supply Management (E_IBK3_PSM)

Managing and Improving Quality (E_IBK3_MIQ)

Postgraduate programmes

Upon completion of your master’s degree, you can opt for a postgraduate programme for further specialization. Usually these programmes involve vocational training and professional education and lead to an instance chartered accountant or controller. Admission to any of the postgraduate programmes is dependent on the master you have taken.

For more information, take a look at www.sbe.vu.nl > Education > Postgraduate programmes.

Notes concerning MSc Accounting and Control

* In choosing your bachelor courses, please note the following prior knowledge assumptions for courses from the MSc Accounting & Control:
  (1) Finance 2 (E_IBK2_FIN2) for the elective course Advanced Corporate Finance for Accounting & Control.
  (2) Management Accounting (E_EBE2_MANAC) for the mandatory course Advanced Management Accounting and the elective course Management Control.

Students who do not fully meet the preceding requirements, but who have (a) completed at least five of the mandatory or recommended courses listed above, or (b) have a GPA of 7.0, may apply for the MSc via Studielink and upload their transcript of grades via VUnet. The admission board will assess if admission is possible.

* In choosing your bachelor courses, please note the following prior knowledge assumptions for courses from the MSc Accounting & Control:
  (1) Corporate Finance (E_EBE2_CF) for the elective course Corporate Finance for Accounting & Control.
  (2) Management Accounting (E_EBE2_MANAC) for the mandatory course Advanced Management Accounting and the elective course Management Control.

Students who do not fully meet the preceding requirements, but who have (a) completed at least five of the mandatory or recommended courses listed above, or (b) have a GPA of 7.0, may apply for the MSc via Studielink and upload their transcript of grades via VUnet. The admission board will assess if admission is possible.

* In choosing your bachelor courses, please note the following prior knowledge assumptions for courses from the MSc Accounting & Control:
  (1) Corporate Finance in Emerging Economies (E_IBA2_CFEE) for advanced Corporate Finance for Accounting & Control.
  (2) Management Accounting (E_EBE2_MANAC) for the mandatory course Advanced Management Accounting and the elective Management Control.

Students who do not fully meet the preceding requirements, but who have (a) completed at least five of the mandatory or recommended courses listed above, or (b) have a GPA of 7.0, may apply for the MSc via Studielink and upload their transcript of grades via VUnet.
