

## Step-by-step guide to Studielink

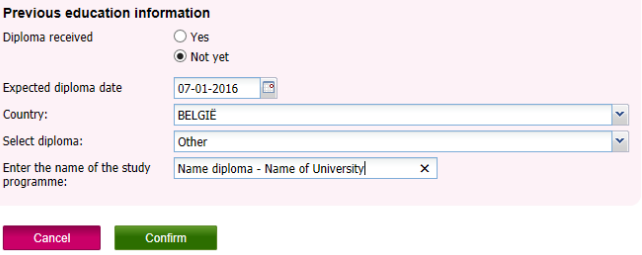

This manual will assist you in completing your application to a programme at Vrije Universiteit Amsterdam through Studielink simply and smoothly. Studielink may seem a bit of a hassle, but it is pretty straight-forward once you know how to navigate it. By following the steps below, you should be able to complete the application process within 15 minutes.

STEP 1:	Go to <a href="http://www.studielink.nl">www.studielink.nl</a>	
STEP 2:	Change language	
STEP 3:	Apply for username and password	
STEP 4:	Create your Studielink account  Fill out all required questions, read the general conditions, tick the box and click confirm	
STEP 5:	Go to the login page	

*These first five steps are only required the first time you use Studielink; afterwards you can use your login name and password (received by email) and login directly to Studielink*

STEP 6:	Login	
STEP 7:	Login with your own username and the password you received by e-mail	
STEP 8:	After you have logged in, it is possible to change your password. I would advise you to do so; please make sure to remember or write down your new password as you will need this frequently!	

After you have changed your password, you will see your to-do-list.

STEP 9:	Click the button to start adding your previous education	
STEP 10:	Be as specific as possible when adding your previous education. When your degree is not mentioned in the drop-down menu, please state <i>other</i> and add the name of your degree and name of your home university. Afterwards click <i>Confirm</i>	
STEP 11:	Go back to <i>My Studielink</i>	
STEP 12:	Choose your programme at Vrije Universiteit Amsterdam. Make sure you select the correct year and starting date

### Study programme-specific questions/statements (Vrije Universiteit Amsterdam)

The section below contains a number of questions/statements from the institution of higher education with regard to your chosen study programme.

I am aware that the Student Charter (Studentenstatuut) is available on [www.vu.nl](http://www.vu.nl).

Yes, I am aware that the Student Charter (Studentenstatuut) is available.

*The Student Charter contains a description of the rights and duties of students on the one hand and of VU University Amsterdam on the other hand.*

This is a joint programme at UvA and VU. You enroll at one of the institutions. As soon as you have completed the application procedure and your registration is final, you will automatically be registered as a secondary course student at the other institution as well.

*For more information: [www.vu.nl](http://www.vu.nl).*

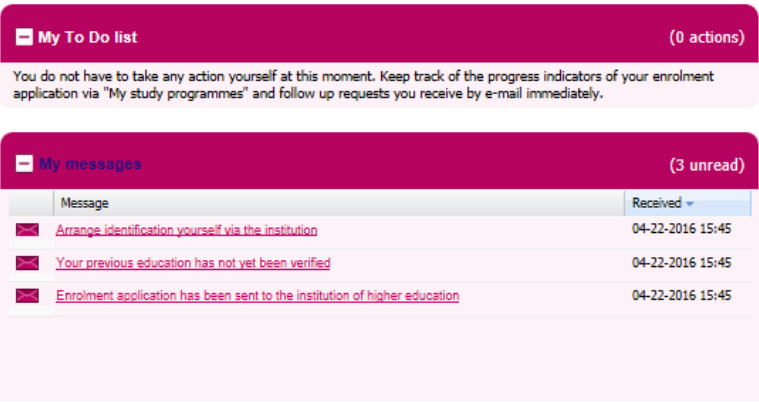

\* Enrolment deadline and maximum (pre)master

I am aware of the fact that this programme has a strict deadline for enrolment; and possibly a maximum of students; i am aware of the fact that students applying for enrolment after the deadline won't be taken into account.

*For these (pre)master programmes an enrolment deadline and maximum is applicable.*

I confirm that I wish to submit an enrolment request for this study programme

STEP 13: Click the confirm button

STEP 14:	You will soon see some items on your to-do-list; you will also receive e-mails about them. VU Amsterdam will verify your personal details once you have completed your application in VUnet, our student portal. Your previous education will be verified after your admission	
Optional STEP 15:	If you want to apply for more than one programme, this is possible via the following section in Studielink. Please see step 11 and 12 on how to proceed	

And that's it! You have completed Studielink! Now you can continue your application via VUnet:
